

Additional terms to the T&Cs for international retail

The prices stated on the order forms and as listed in our retail online shop are exclusive of VAT (net prices). Commercial EU customers must provide their VAT ID number when registering their customer data. If none is provided, we will charge the VAT at the respective tax rate of the corresponding country of delivery.

- The minimum order quantity per variety is one packaging unit (PU).
- Delivery is made while stocks last. With the exception of the main annual order, dispatch takes place after 2-3 working days, the expected delivery date is stated in the order confirmation.
- Payment shall be made within 30 days of the invoice date, unless otherwise agreed. Payment by PayPal or credit card are not offered.
- All orders must be placed in writing or via the retail online shop and are considered binding, subsequent adjustments cannot be guaranteed.
- No return of unsold goods.
- Defective deliveries must be claimed immediately, at the latest 3 working days after receipt of the goods.

Shipping costs outside Germany

Our retail online shop currently displays only shipping costs within Germany. We reserve the right to adjust the shipping costs for deliveries abroad as indicated here.

countries	weight ≤ 0,8 kg and value of goods < 250€	weight > 0,8 kg and / or value of goods > 250€
Belgium, Netherlands, Luxembourg	7,65 €	19,25 €
EFTA and other EU countries	8,75 €	21,45 €

Due to the very dynamic developments of shipping prices, we reserve the right to adjust our flat-rate appropriately if these costs change (www.bingenheimersaatgut.de/en/shipping-terms). The customer is obliged to fill in and return the confirmation of receipt form if attached to their delivery. If the seller incurs additional costs for shipping or export, these will be invoiced.

Interactive search for distributors on our homepage

In order to show interested hobby gardeners where they may purchase our seeds, we have included the addresses from our active customers in our [interactive search](#) webpage. If you do not agree with this or if you no longer offer seeds, please contact us.

Additional notes regarding sales channels and their associated quality assurance

- (1) Resale in a retail shop
Resellers shall ensure that, in order to maintain the quality and to guarantee the safe use of the seeds, to provide their customer the opportunity to receive expert and individual advice and explanations, to view the products and to ask questions on the spot.
- (2) Online resale (own online shop)
If sold in their own online shop, the information from (1) shall also be taken into account though the above-mentioned advice and information possibilities shall be made available in a transparent and technically accessible manner, whereby these must at least be offered by telephone.
- (3) Online resale (third-party platforms)
In order to maintain the quality and ensure the safe usage of the seeds, we have defined requirements for the sale of our products via internet auction platforms and internet marketplaces. The reason is that personal, expert and individual advice and adherence to the required storage conditions are essential for ensuring long-term quality and germination capacity. We do not authorise resale via third-party platforms without prior consultation with us.

We reserve the right to discontinue delivery in the event of non-compliance with the above instructions.

With the publication of the current offer 25/26, all previous price and delivery information shall lose their validity. Otherwise, the [General Terms and Conditions of Bingenheimer Saatgut AG](#) apply.
